Josh Podell is a consummate professional whom I have had the pleasure of knowing for many years. He has broad based knowledge of nearly every shopping center in the country, excellent instincts as to which clients will perform in those centers, and deep rooted relationships with all of the major landlords. These talents combined with his high level of integrity, loyalty, and a relentless work ethic uniquely position him to steer his clients through difficult decisions in the ever changing world of retail real estate. I find myself recommending him time and time again to clients looking for a well-rounded partner that will help them grow their business.

Sincerely,
